NEW COACH BOAT

After a long search we found what looks to be the perfect coach boat to meet our needs of safety, protection of boats, ability to handle our waters, and even some comfort for the coach. It is presently in Green Cay Marina and on loan to the YSA while we continue fundraising for the 2019-2020 year.

FIRST VIODA REGATTA

Over the MLK weekend Ryan and Rodney Moorehead competed in the first VIODA Qualifying Regatta at the St. Thomas Yacht Club. VIODA stands for *Virgin Islands Optimist Dinghy Association* and manages the regattas that count towards qualification for international events such as North Americans and Worlds. The wind was blowing hard and the boys represented STX well while being hosted by generous parents from St. Thomas and St. John.

FULL MOON FUNDRAISER A BIG SUCCESS

Thank you for everyone who helped make the Beach Party fundraiser a success and for enjoying a great time with friends at our new Chenay Bay Base. We grossed a little over \$1800 in sales despite the short notice at a busy time of year. These funds were used to pay for direct event expenses (\$656) and facility start-up costs (\$929) with a little left over to put in the bank. There is a suggestion to repeat the event Saturday Feb 8th which we should decide on this week.

Please give me a call at 609-902-6105 or email joe@beamreach.co with your ideas, questions, and hopes for 2020!
